19. Adopt Ordinance 046-14, authorizing the Prohibition of Open Fire and Campfires in the Unincorporated Areas of Cochise County, establishing procedures for the enactment of prohibitions and prescribing penalties for violations.

Mr. Norm Sturm, Emergency Services Coordinator, presented this item. He gave the background and the purpose of ordinance.

Vice-Chairman English asked if the "uncovered" areas were those that are not within a fire district or incorporated city and for the percentage of the County that fell under this category.

Mr. Sturm said that was correct and noted that the area "uncovered" was considerable as far as land mass.

Supervisor Searle said the definition of open fire was confusing and wanted to clarify what types of fires qualified as open fires.

Mr. Sturm stated that the County did not want to be overly strict with regular types of fires like fires in a fireplace or a fire in a burn barrel.

Chairman Call opened the Call to the Public.

No one chose to speak and Chairman Call closed the Call to the Public.

Supervisor Searle moved to adopt Ordinance 046-14, authorizing the Prohibition of Open Fire and Campfires in the Unincorporated Areas of Cochise County, establishing procedures for the enactment of prohibitions and prescribing penalties for violations. Vice-Chairman English seconded the motion.

Supervisor Searle thanked staff for their work on this and noted that this gave the Board a tool to address fire concerns.

Chairman Call called for the vote and it was approved 3-0.

## **ACTION**

### **Board of Supervisors**

20. Approve over-the-counter sale of tax deed properties remaining unsold following the June 5, 2014 tax deed land auction and subsequent over-the-counter sales, as set forth in the attached report, plus related administrative fees.

Supervisor Searle moved to approve over-the-counter sale of tax deed properties remaining unsold following the June 5, 2014 tax deed land auction and subsequent over-the-counter sales, as set forth in the attached report, plus related administrative fees. Vice-Chairman seconded the motion.

Ms. Arlethe Rios, Clerk of the Board, presented this item and said that following the June 5, 2014 Land Auction Sale, staff posted the unsold parcels on the County's website and received an over-the-counter bid. She noted that the bid was reflected in the attached report and was lower than the minimum bid set by staff. She stated that the County Attorney's Office had advised that the Board could consider a bid lower than the minimum bid. She added that the bid was equal to the current full cash value of the parcel and recommended Board approval.

Vice-Chairman English stated that before accepting lower bids, the Board should discuss areas in the County that could be valued at a lower price.

Supervisor Searle said he understood Vice-Chairman English's concern, but thought that property should be sold if the offer is reasonable and to ensure the best interest of County citizens by getting property back on the tax rolls.

Ms. Cathy Traywick, County Treasurer, agreed that since the bid was reasonable and equal to the current full cash value it would be in the best interest of the County to get it back on the tax rolls.

Chairman Call called for the vote and it was approved 3-0.

21. Discussion and possible action on August 19, 2014 letter from the Attorney General regarding Open Meeting Law Complaint.

Mr. Britt Hanson, Chief Civil Deputy County Attorney, gave the background of the letter received from the Arizona Attorney General's (AG) Office regarding an Open Meeting Law (OML) complaint from April 2014; the AG noted in the letter that after careful consideration they came to the conclusion that the Board committed an OML violation. He said that the incident in question involved budget discussions the Board had with departments as preliminary discussions; that those discussions were held at the offices of the individual department; and that in the past they had been noticed at a specific time for each department. He said that in this instance Ms. Rios, Clerk of the Board, received a request to list all discussions at once so that the Board could travel from meeting to meeting without having to wait for the posted time. Mr. Mike Jackson, citizen, contacted Ms. Rios regarding the posting and she consulted with Chief Civil Deputy County Attorney Hanson, who looked at the notice and said that although the omission of specific times for all the meetings seemed awkward, he did not think it merited canceling the meetings. Mr. Jackson then contacted the AG's Office and they sent a notice to the Board to which Mr. Hanson responded before the AG came to their final decision. He added that the AG thought these discussions met the definitions of a "meeting" with a "quorum" and further requested that the Board post those discussions as meetings with an agenda and minutes to be taken.

Mr. Hanson read the letter from the AG's Office, which was attached to the item and provided to the public.

Vice-Chairman English said that at the time of the meeting she was chair and had requested that the meetings be combined to be more efficient and noted that these were not typical budget meetings, but an opportunity for each department to update the Board on current and future projects.

Supervisor Searle asked why the responsibility and penalty was on the Board, when the Board merely followed the direction given by the County Attorney's Office.

Mr. Hanson agreed that the County Attorney had given direction, but noted that the AG holds the Board responsible for open meeting law requirements.

Chairman Call stated that the Board firmly believes in transparency, appreciates the AG's comments in this instance, and wants to move forward with the AG's recommendation. He added that he appreciated the work by the County Attorney's Office on this matter.

Vice-Chairman English asked if this discussion qualified as formal training.

Mr. Hanson said that the formal training could be added to another meeting already being held by the Board and could be covered in a short period of time.

Vice-Chairman English moved to accept the settlement from the Attorney General's letter regarding the Open Meeting Law complaint and that the Board sign the letter and send it back to the Attorney General's Office. Supervisor Searle seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

22. Approve the recommendation of the County Treasurer for the abatement of property taxes and interest on personal property and the removal of personal property tax liens on Treasurer's Certificate of Clearance Nos. 2014-0430 through 2014-0460 pursuant to A.R.S. 42-19118.

Vice-Chairman English moved to approve the recommendation of the County Treasurer for the abatement of property taxes and interest on personal property and the removal of personal property tax liens on Treasurer's Certificate of Clearance Nos. 2014-0430 through 2014-0460 pursuant to A.R.S. 42-19118. Supervisor Searle seconded the motion.

Ms. Cathy Traywick, County Treasurer, presented this item and said that she was asking to abate taxes that have been properly posted by the Sheriff's Office in order to clean up tax rolls.

Supervisor Searle stated that the Board had approved similar abatements at the last Board meeting and asked if there would be more to approve in future meetings.

Ms. Traywick said that there would be more to approve in future meetings as it was a slow process to get these properties properly posted.

Chairman Call called for vote and it was approved 3-0.
